

# Visiting Perth, Australia

Thank you to everyone who gave and still continues to give financially toward our ministry. We have enough money to cover the cost of this trip. Praise God!

G'day Mates!

The dates are set. The tickets are bought. We're headed to Perth. Ryan and I are praying and seeking God's direction. And Perth is a major piece of the puzzle. We will hopefully enjoy ourselves but this is not a vacation. These 16 days will be spent getting to know the city, finding connections, meeting people, exploring job opportunities and retracing the steps I took, about two years ago, before I met Ryan.

This is an exciting step for us. Please be praying that we would be united in vision and heart. Please pray that God would reveal the path we should take and if that path leads us to Perth. We look forward to updating you as our hearts are directed toward our future in ministry together.

With sweet anticipation-

*Joy and Ryan Reiter*

## In Ryan's Words

I'm excited to see what God has in store for me, for us, for our future. I'm also looking forward to meeting new people and finding where my talents and skills fit with the Perth team. And of course, getting to drive on the other side of the road...legally.
