

## We're Approved— Now what?

Greetings Family and Friends-

Every week is a new challenge as we balance our life in Camarillo with the transition to full-time ministry. Ryan continues to work at the church we currently attend, and I am teaching ESL, while we are both focusing more on support raising and other preparations for Australia.

Ryan and I are currently working towards three intertwined events (see the pictures below). At this point we have goals but nothing is guaranteed without a lot of prayer and hard work. Please be praying for us as we navigate the challenging yet exciting months ahead.

We are working on building a new website but until it is launched, follow our journey more closely by reading the blog: [joyellen.wordpress.com](http://joyellen.wordpress.com).

Thank you for being a part of our journey towards Australia.

### **Full-time Support Raising**

by January 2016

In order to connect with as many of our friends and family as possible, we need to quit our current jobs that are keeping us in Camarillo. Once we are able to full-time support raise, we will still frequent southern California but we look forward visiting other places too!

### **50% Support**

by January 2016

In order to full-time support raise, we need support. Our ministry begins here in the US. We hope to be at 50% by January 2016. However, by the official MTW pledge report we are only at about 6%. Your monthly financial support can make our goal a reality.

### **Ryan to Oz**

January 15th-25th, 2016

There is an outreach to the Brookton area and another meeting being held in Perth at the end of January. We are hoping for Ryan to be able to attend. But we need to have sufficient funds in order for Ryan to quit his job as well as cover the travel costs to and from Australia.
