## Prayers, Provision and Perseverance

### Answers to Prayer

#### **Provision:**

We are now at 78% of our support!

One of our new supporters is a couple that was specifically praying on September 19<sup>th</sup> (Pray for your part- Pray about becoming a monthly supporter.) God moved in their hearts. What a clear answer to prayer!

We also received a few generous one-time gifts during this time. This includes an envelope handed to me after a church service containing \$1000. The person who handed it to me said they had been carrying it around for awhile and felt like God was telling them we were the right people to give it to.

#### **Departure Date:**

Ryan and I both agree that the provision of a place of our own for November and our families gathering in Colorado for Thanksgiving make a December departure better.

#### **Visas:**

We have applied for our visas and they are in process. Please keep praying!

Greetings Family and Friends!

During these past 30 days we have prayed through tears and laughter, worry and peace as well as through great joy and great frustration. In short, the 30 Days of Prayer has given us the strength to continue to persevere in all circumstances.

Ryan and I saw God answer prayer in many different ways. We also know that God doesn't work on our timeline and so we move forward knowing that the continued work in getting us to Australia is built on a foundation of prayer.

One way we are hoping to see God's continued work is through the last 22% of our support. **A couple has generously offered a matching incentive for all of November. For every new reoccurring supporter, this couple will match the new monthly gift with a one-time gift.** To be at 100%, we need \$2408 a month. Please pray about becoming a monthly supporter!

We are thankful for all of you who are walking this journey with us. Praise God for your prayers.
